Trees are sold in bundles. Payment is due at the time of order. Include this form with payment. All sales are final. No refunds will be given. We are not responsible for viability of trees.

Cut Here

Please Note:

There are a limited number of trees available. Trees will be reserved with paid and completed order forms on the date in which they are received. For best selection place your order early!

Some species come in bundles of 25. Minimum order of any one of these species is 25 trees.

Some species come in bundles of 10. Minimum order of any one of these species is 10 trees.

Please check your order form carefully to see which species comes in what quantity.

We are required to collect 5.5% sales tax on all trees sold. If you are tax exempt, please include your signed tax exemption form with your order.

Pick up will be mid to late spring. Post cards will be sent out to notify customers of pick up location, dates, and times.

Trees need to be picked up promptly on the pickup date to help ensure viability of trees. Trees not picked up on pickup date will be donated and refunds will not be given.

Jefferson County Land & Water Conservation Department

2019/2020 Annual Tree Sale

(920) 674-7110

Tree Details

2-2 Arborvitae - Height of 20-30 ft., width 8-10 ft. Year-round color. Forms a wind tight barrier when used for screening or as hedging. Prefers heavy damp areas, but adapts well to other soil types.

12 - 16" \$30 (Per Bundle of 25)

2-2 White Pine - Grows over 35 ft. Vigorous growing, open tree with long, soft, bluish-green needles. Used in ornamental plantings. Tolerates shade and grows well in sandy and other soils.

7 - 15" \$30 (Per Bundle of 25)

2-2 Norway Spruce - Grows over 35 ft. Fastest growing spruce with dark green needles and draping branches. Good ornamental or windbreak tree. Grows well in most conditions.

7 - 15" \$30 (Per Bundle of 25)

2-2 White Spruce - Moderate growing tree with bluish-green needles, and short, dense branches. A Popular Christmas tree as well as an ornamental and windbreak tree. Endures drought conditions well.

7 - 15" \$30 (Per Bundle of 25)

Tree Details

Sugar Maple - 1 Yr. Seedling - Slow to medium growth. Height 100 ft. Outstanding native shade tree. Dark green leaves turn yellow to orange to fiery red in fall. Grows in most soil types. Sap used for maple syrup. Used as an ornamental, for lumber and wildlife habitat.

12 - 18" \$30 (Per Bundle of 10)

Burr Oak - 1 Yr. Seedling - Part of the White Oak family. Tolerates a variety of soil conditions. Leaf color is dark green in summer and yellow to yellowish brown in fall. Acorns are preferred wildlife food. Height 70-80 ft.

12 - 18" \$30 (Per Bundle of 10)

Swamp White Oak - 2 Yr. Seedling - Height 50-60 ft., medium growth rate. Does well in moist to wet soil, also in upland areas. Shiny dark green leaves. Yellow to purple fall color. Their sweet acorns are great for wildlife.

12 - 18" \$30 (Per Bundle of 10)

Alleghany Serviceberry - 2 Yr. Seedling - Grows to 25 ft. Spread 15ft. Small, upright multi-stemmed tree. Soil and moisture type widely adaptable. Full sun to partial shade. White flowers followed by purplish-blue fruit. Orange-red fall foliage.

12 - 18" \$30 (Per Bundle of 10)

Questions? (920) 674-7110

Tree Information

2-2 refers to the age of the tree. Each tree spends 2 years in a seedling bed and 2 years in a transplant bed. This pertains to all of the evergreens. The deciduous trees are seedlings and their ages are indicated.

The measurements are approximate. The size of the trees will vary depending on the weather conditions during the growing season.

Please be sure to plant your trees as soon as possible to help viability. If unable to plant right away, keep trees in a cool, dark place such as a garage floor. Keep roots moist but do not submerge.

Tree spades are available for a small refundable deposit fee.

Pick up will be mid-spring. Postcards will be sent to notify customers of pick up location, date, and time.
